

LUT TRAVEL GRANT FOR INTERNATIONAL TRAINEESHIPS

LUT International Master's Programme students can apply for LUT travel grant for covering up some of the travel expenses that occur when going for an international traineeship.

- The traineeship has to take place **in a country other than Finland, the student's home country excluded**
- The traineeship takes place **during the summer between the first and the second study year**
- The traineeship must not interfere with the student's course of the LUT studies or postpone the graduating in any way
- The student has to be a registered student at LUT throughout the whole traineeship
- The application period for LUT travel grant is ongoing throughout the year
- The travel grant can be applied for after the traineeship is confirmed
- LUT travel grant can not be allocated to traveling already done or if the employer is covering for the travel costs
- There will be a specific agreement drawn upon the LUT travel grant between LUT and the student
- After the traineeship, the student must present LUT International Services
 - a certificate on the traineeship (a testimonial etc.)
 - a specific feedback form
 - an informal report/essay on the traineeship experience
 - will be published at the LUT website
