

CALL FOR SUMMER TRAINEES - DEPARTMENT OF INFORMATION TECHNOLOGY

KESÄTYÖNTEKIJÄHAKU - TIETOTEKNIIKAN OSASTO

Dear Dept of Information Technology students,
Hyvät Tietotekniikan osaston opiskelijat,

Haemme kesätyöntekijöitä - hausta alla tarkemmin:

Department of Information Technology is seeking for talented students to work as summer trainees in the summer 2009. You have performed well in your studies in the Department of Information Technology, Lappeenranta University of Technology, and interested in information and communication technologies/science and intrigued to know more about the scientific research work.

If you are interested, please prepare:

- 1) a free form application where you describe yourself, your experience, skills and your interests (max 2 pages),
- 2) CV (max 3 pages) and
- 3) an official list of your passed courses.

In addition, on the cover page list the research areas of the Department in the order of your preference. The possible areas are: i) machine vision and pattern recognition, ii) software engineering and iii) communications software. More information about the research topics can be found from the Dept. web pages (<http://www.it.lut.fi/>).

Deliver the material to the secretaries of the department, Tite-Sahko building, floor 5 AND send a verification e-mail to Joni.Kamarainen (ae) lut.fi.

The deadline for the applications is Mar 4 2009 at 12:00 EET. All decisions will be made due to Mar 13 (interviews at weeks 10 and 11).

I am happy to answer any questions.

On behalf of the Department,

Joni Kamarainen
