

24 ECTS CREDITS OF STUDIES IN BUSINESS ADMINISTRATION

- Accounting
- Business Law
- Economics
- Entrepreneurship
- Finance
- Knowledge Management
- Logistics
- Management and Organisations
- Marketing
- Supply Chain Management
- Supply Management

Studies in Methodology are accepted as well when applicable to the programme.

Courses in Business Administration on a higher education level not included in the degree that you must apply with are also accepted if listed on an official Transcript of Records awarded by the related institution. Courses completed more than 15 years ago are however, not considered unless they are included in the degree that you must apply with.

Please also check that you have the programme-specifically required studies.
