

80 ECTS CREDITS OF STUDIES IN BUSINESS ADMINISTRATION

- Accounting
- Business Law
- Economics
- Entrepreneurship
- Finance
- Knowledge Management
- Logistics
- Management and Organisations
- Marketing
- Supply Chain Management
- Supply Management

The completed studies must be composed of at least 3 different disciplines in Business Administration while thesis and internships are not included.

Please also check the programme-specifically required studies.

Studies in Methodology are accepted as well when applicable to the programme.

University level courses in Business Administration not included in the degree that you are applying with are accepted, if the courses are listed on an official Transcript of Records awarded by the related institution.

However, courses completed more than 15 years ago are not considered unless, they are included in the degree.
