

Anna Gogolewska

Top International
Managers in Engineering

Anna Barbara Gogolewska is an Associate Professor in the Department of Mining at the Faculty of Geoengineering, Mining and Geology, Wrocław University of Science and Technology (Wrocław Tech), Poland.

With over two decades of academic experience, she specializes in natural hazard management in underground and surface mining—including gas and rock outbursts, methane and carbon-dioxide hazards, and seismic risks—as well as applied geophysics and drilling technologies.
