

Steering Committee for Quality and Sustainability Management Systems

The role of the steering committee is to guide and lead the development of the university's quality management system and functions closely linked to it and sustainability work at the university. It also directs the organisation and documentation of the work and the issues related to their internal and external assessments.

Members of the steering committee

The steering committee is chaired by the provost, and the vice-rector is the vice-chair.

LBS: Associate professor Hanna Salojärvi, Deputy: Project manager Leila Armila

LENS: University lecturer Jaana Laine, Deputy: Professor Satu-Pia Reinikainen

LES: Education development manager Heli Paalamo, Deputy: Post-doctoral researcher Johanna Naukkarinen

Representatives of Student Union Henna Raekorpi and Sara Taskila

Strategy director Janne Hokkanen

Director of administrative services Jarno Hovi

Director of management services Maija Kuiri

Planning affairs manager Sirpa Riikkinen

Sustainable development manager Hanna-Leena Ottelin

Quality system manager Annikka Nurkka

The steering committee may, if necessary, invite other experts to be heard.

The quality system manager is the secretary of the steering committee. The steering committee has been set up since 1 January 2009 for the time being (Decision No 558/112/2008). The members of the committee are appointed for the period of the current rectorate.
