

The home for the night shared taxi service with prebooking enables business travelers to share a ride to and from Helsinki-Vantaa Airport every day, if the flight is late-arriving or early departing, and train connection is not available. **Prebooking is easy and done by email info@taksisaimaa.fi** You can start your trip right from your doorstep and return home the same way. Customers traveling at the same time are combined into the same ride. The service is provided by the City of Lappeenranta and LUT University in cooperation with Taksi Saimaa.

Please provide the following information when you pre-order:

- Passenger name and number of passengers
- Email, phone number
- How many pieces of luggage will you check in (max. 1 per passenger)
- Flight number, city of departure, departure date and time
- Pick-up or drop off in Lappeenranta
- Pick-up/drop-off time and address in Lappeenranta working area
- Organisation: LUT, LAB, company representative or other

The order must be placed at least 24 hours before the estimated departure time of the transport. Booking later is possible if others have already pre-booked and there are seats available in the car. The order confirmation email is sent to the customer encrypted.

For possible schedule changes or cancellations, email info@taksisaimaa.fi or call 0200 60 400.

From Lappeenranta to Helsinki-Vantaa morning flights

- Pick-ups from home address according to the customer's schedule if no train connections are available.
- Arrives at the airport at the desired time in the small hours/morning. If there are multiple customers, the schedule is determined according to the first departing flight.

To Lappeenranta from Helsinki-Vantaa a flight in the evening or night

- Transportation to Lappeenranta in the evening or at night departs 40 minutes after the arrival of the flight, provided that no train connection is available.
- If there are multiple customers, the schedule is determined by the last landed flight.
- If the flight is delayed and the Saimaa Taxi Center is notified of the delay, the transport will wait.
- If the transport waits for the passenger for more than 1 hour 10 minutes after the plane's arrival time, in addition to the transport deductible, the waiting passenger will be charged € 0.66 per minute for waiting until 31 December 2025 and € 0.70 per minute from 1 January 2026 (incl. VAT).
- If there is only one passenger on the transport and Taksi Saimaa is notified of the delay in good time (at least 3 hours), the individual pick-up schedule will be changed based on the change.
- The taxi center will inform you by email or/and text message on the day of the flight about the exact pick-up time and whether there are other customers on board.
- The driver sends the car's phone number by text message when the car leaves Lappeenranta.
- The exact pick-up location at Helsinki-Vantaa Airport will be agreed between the driver and the customer. The basic pick-up location is in front of Scandic Helsinki Airport at Lentäjätie 1, the location of which will be marked on Google Maps in the order confirmation.
- The car has the text "Taksi Saimaa".

The transportation deductible is €95.00 per passenger (incl. VAT). Transportation outside the Lappeenranta local traffic area is according to the Taksi Saimaa price list without a separate departure fee.
