

	General Events, Main Training Events & Conferences	ECTS (if any)	Lead Institution	Time	Year
1	1 <sup>st</sup> HIPO Conference	-	LUT University	March	2023
2	Open Science, Information retrieval and publishing, Online	1	LUT University	March	2023
3	Writing and communication skills, Online/Campus	1	LUT University	April	2023
4	High Speed machine thermal aspects (Nerg, Grönman, Papini)	4	LUT University, UNIPi	August	2023
5	Computation and measurement of Losses	8	AAU	November	2023
6	Topology Optimization - Theory, Methods and Applications. Change bound	3,5	DTU	July	2023
7	2 <sup>nd</sup> HIPO Conference Presentation skills, Communication skills	2		January	2024
8	IEEE International Electric Machines & Drives Conference (IEMDC) 2023 May	-			2024
9	High-efficiency Electrical Machines	6	CHALMERS	March	2024
10	Hybrid Powertrain System Analysis (Bo Egardt)	3	CHALMERS	April	2024
11	Welding technology	5	KIT	May	2024
12	Scientific Dissemination, Publishing to Local/Online Channels, Presentation	3	UNIPi	June	2024
13	CIRP Conference on Computer Aided Tolerancing - CAT 2024, Euspen Co	-		June	2024
14	3 <sup>rd</sup> HIPO Conference, Career plan, Entrepreneurship, IPR	2		July	2024
15	Reliability of Power Electronic based Power Systems	6	AAU	August	2024
16	Computation Fluid Dynamics Calculation	6	LUT University	September	2024
17	ICEM 2024 conference September biannual	-			2024
18	Online identification, Online/Campus	4	AAU	November	2024
19	Rotor Dynamics of High-Speed machine	3	KIT, LUT University, DTU	December	2024
20	Nanotribology: theory and applications. Theories within friction, wear and lubrication. Differentiate between surface physics/chemistry.	5	DTU	January	2025
21	Entrepreneurship for Academics, Online and 3 days in LUT	6	LUT University	February	2025
22	Synchronous Reluctance Motor Design	4	AAU	March	2025
23	APEC Applied Power Electronics Conference 2025 March	-			2025
24	Converter topologies: WBG, SiC, GaN	4	CHALMERS	April	2025
25	HIPO 4 <sup>th</sup> Conference, Gender, IPR, Dissemination	2		May	2025
26	Precision Manufacturing: processes, systems and process chains	4	DTU	June	2025
27	EPE Ecce Europe September 2023/2025	-			2025
28	Controlling of Synchronous Reluctance Motor	4	UNIPi	July	2025
29	Measurement uncertainty estimation using statistical methods. Evaluation	2,5	DTU	August	2025
30	Gender issues in Electrical Engineering	1	AAU	August	2025
31	Ethics and Research Integrity in research, teaching and supervising	2	LUT University	August	2025
32	Filtering requirements, WBG use, EMC	6	UNIPi	October	2025
33	Cultural diversity awareness in work	3	LUT University	December	2025
34	HIPO 5 <sup>th</sup> Conference, Result, future work, Network update and dissemination	2		February	2026
35	Converter integration to electric machine	4	LUT University, AAU	March	2026
36	Finite Element Computation Methods	4	CHALMERS	April	2026
37	Cooling methods for Mobile Vehicles	5	KIT	April	2026
38	IEMDC 2026 conference. CIRP Conference on Surface Integrity (CSI 2026). HIPO DC's get together in these events.	-		May	2026
39	Research career planning, Working Skills, Leadership	2	UNIPi	June	2026
40	Drive train optimization	5	AAU	July	2026
41	Regulations and standard to sustainability, environment	5	UNIPi	July	2026
42	HIPO Closing Conference, Dissemination, Publish results	2		July	2026
