

Didier Clouteau

Top International
Managers in Engineering

Didier Clouteau is Distinguished Professor at CentraleSupélec University Paris-Saclay. He graduated from Ecole Centrale Paris, INP Grenoble and the College of Higher Studies for the Environment and Sustainable Development. He worked for Tractebel Engineering, CNRS, Ecole Centrale Paris and Ecole Polytechnique in France and Mahindra Ecole Centrale in India. He now chairs the Department of Mechanics, Energetics and Bio-chemical Eng. and acts as Vice-President of the Board of Governors. Since 2023, he chairs the T.I.M.E. association. His research interests are focused on earthquake engineering and engineering seismology, numerical and probabilistic methods, statistical and machine learning in mechanics. He has supervised more than 20 PhD theses, authored 80+ scientific papers, coordinated several national and European research programs, and served as scientific expert.
