

2022

XIV FINNISH MECHANICS DAYS CONFERENCE

VENUE AND DATE

May 18-20, 2022, LUT University, Lappeenranta, Finland

The conference covers, but is not limited to theoretical, computational and experimental mechanics of solids, soils, rocks and fluids – including a large variety of engineering applications: static and dynamic analysis of structures; mechanics of materials; fluid dynamics; fluid-structure interaction; fracture mechanics; fatigue; thermomechanics; micromechanics; contact mechanics; structural optimization; numerical analysis; multibody dynamics; mechatronics; design of structures and machines; industrial and medical applications of mechanics etc.

IMPORTANT DATES

Deadline for one-page abstracts: February 15, 2022

Notification of acceptance: February 28, 2022

Deadline for early registration, 350 euros: March 15, 2022
